EXTRAS / Trek fork and shock sag meter, Bontrager shock pump

KEY FEATURES

- » 29" wheels roll over obstacles more easily, maintain momentum, and provide more stability
- » G2 Geometry improves handling in all conditions, at all speeds
- » FCC MTB oversized hub, flanges, and end caps create a flex-free 29" wheel that chews through technical terrain
- » ABP Race: light, narrow, and thru-axle stiff

UPGRADES FROM HIFI DELUXE

- » SRAM X.9/Shimano XT 3x10 drivetrain
- » Bontrager Race Lite 29 wheels
- » Fox RP23 with Race Tune Boost Valve
- » Avid Elixir R hydraulic disc brakes
